

Administrative experience of Leo Motus

Estonian Academy of Sciences	1993 – today	Proc. on Engineering, Member of the Editorial Board
	1994 – Nov. 1999	Board of the Academy, Member
Tallinn Technical University	1994 – Aug. 2001	Dean, Faculty of Systems Engineering
IEE Estonia	1993 – today	Chairman of the Estonian committee
Association of Estonian Engineers	1994 – Nov. 2000	President
Estonian Science Foundation	1995 – 1998	Expert on information technology and systems engineering
Hong Kong Science Foundation	1996 – 1999	Expert on information technology, artificial intelligence, and systems engineering
Science Competence Council (advisory body for Estonian Ministry of Education and Science),	1997 – 2003	Member
Research Council, Estonian Ministry of Defence	1999 -- 2006	Member
IFAC	1990 – 1996	Member of Technical Board
International Federation for Automatic Control	1990 – 1993	Chairman, TC on Computers
	1993 – 1996	Chairman for Coordinating Committee on Computer Control
	2002 – 2005	Chairman of a Working Group on Real-time Software Engineering
International Journal on Engineering Applications of Artificial Intelligence (Elsevier Science)	1992 – Oct. 1999	Editor-in-Chief
	Oct. 1999 – today	Consulting Editor
Journal on Control Engineering Practice (Elsevier Science)	1993 – Feb. 1999	Associate Editor
Journal on Real-time Systems (Kluwer Academic Publ.)	1993 – today	Associate Editor
Journal on Integrated Computer Aided Engineering (IOS Press),	1993 – today	Advisory Editorial Board, Member
EU Project implication	1995 – 1997	Copernicus project LIMITS (The Development and Evaluation of a new generation real-time software engineering design tool for handling the temporal aspects of Industrial Applications of Information Technology), project manager in Estonia
	1996 - 1999	ESPRIT project BRIDGE (Development of a real-time Intelligent Diagnosis tool for large technical applications), project manager in Estonia
	2000 – 2003	5th Framework research project MINICON (Minimum cost, minimum size, maximum benefit condition monitoring system), project manager in TTU
